Sharing the Love of Christ

Mission Statement

Developing Passionate Followers of Jesus Christ

We at Mitchell Community Church are dedicated to providing a Biblical ministry to the people of this community. Our goal is to provide love and support for each member of this body of believers and to share the love of Christ with all members of our community. We are convinced that the Bible is God's word to man. We believe that "Christ died for our sins according to the Scriptures, that He was buried, that He was raised again on the third day according to the Scriptures..." (1 Corinthians 15:3-5)

About Us...

Mitchell Community Church is a non-denominational, evangelical, Bible-believing church located at 1507 South Mitchell Rd, just four miles west of the city of Turlock, California in the heart of rural Stanislaus County.

At Mitchell, we try to live out the New Testament example of the church as a body, each part unique and special, each part valuable, young or old, new in the Lord or a veteran believer, all working together to accomplish life, with Jesus Christ as the head.

Our vision is to help people know God through His Son, Jesus Christ, experience His love, and to grow in their walk with Him. We seek to love God, love others, and work together to bring others to Him.

If you are looking for a church home, give us a try. Our worship style is blended, with a mix of old hymns and praise songs, a time of sharing and prayer, and a presentation of God's Word that is practical and easily applied to everyday life. We hope you feel welcome and loved!

A word from Pastor Rick...

March is a wonderful time of year. Here in the valley we are able to enjoy the almond blossoms which are blooming all around us. What a thing of beauty. I always enjoy going out and taking a few pictures of the blossoms. This year I even got a picture of a bee inside of a blossom. As I look at all of these white blossoms across the valley I am reminded of a verse in John 4:35, "**Do you not say, 'There are four months, then comes the harvest'? Look, I tell you, lift up your eyes, and see that the fields are white for harvest.**" The white blossoms are part of the process that ends in September and October when the almonds are harvested.

What a great reminder that millions of people here in California, the United States, and all around the world do not know the Lord Jesus Christ. They do not understand the power of being in a relationship with Him.

As we look upon those white blossoms let's remember to pray for the harvest that God wants to bring in. Let's be open to how God wants to use each one of us with our family, friends, and neighbors. May God continue to show us the wonder of His plan for the world!
